SOUL RESCUERS COURSE

## TOTEMS

## and POWER ANIMALS

Introductory Workshop  
With Contemporary Shaman Wendy Cazzolato

SATURDAY DECEMBER 5th 2009 - 12.30-5.30pm

In Shamanic traditions worldwide there is a belief that we all have a totemic power animal or spirit guardian which reflects aspects of our own nature or our ancestral or spiritual lineage. This guardian can be called upon to strengthen those qualities within ourselves, to lend us their wisdom in the challenges we face in life, to guide us in the spiritual 'otherworlds' and to aid us in helping or healing others.

You may already know or have an idea of what your animal guide may be but if you don't, or would like to explore new aspects of connecting or working with your guide then this workshop is for you.

Workshop fee - \$60 - To book please email [wendy@soulrites.com](mailto:wendy@soulrites.com) or phone 0433800889  
Lethington Room, Summer Hill Community Centre, 131 Smith St, NSW 2130
